

## **Payment of Player Registration Fees Policy**

All player registration fees are payable prior to the commencement of the first game of the season.

If for any reason it is not possible to pay the registration fees in full prior to the first game, the player or the player's parent/guardian must:

1. Make a request in writing to the committee for special consideration
2. Must pay a minimum of \$100 per player prior to the start of the season
3. Must agree in writing to a payment plan.

Late payment of fees will incur an additional fee of 25% of the applicable player registration fee. This additional fee will be incorporated into the agreed payment plan.

Any player whose registration fees have not been paid in full prior to the commencement of the season OR who is not covered by a written payment plan, will be deemed ineligible to play. Similarly, any player under a payment plan, will be ineligible to play if they fall behind on their payments.

Requests for special consideration of player registration fees must be submitted in writing at least 1 month prior to the commencement of the season. Requests should be sent by letter or email to:
